On August 3, 2020, at select locations on O‘ahu, Maui and Kaua‘i, Clinical Laboratories of Hawaii (CLH) will begin offering **nasal (anterior nares)** specimen collection for SARS-CoV-2, the virus that causes COVID-19. CLH began offering this service on Hawai‘i Island on July 1, 2020.

Specimen collection will be offered to **non-symptomatic patients** requiring a test for pre-operative, return to work, school or athletic clearance. All patients will need to have the following at the time of service:

- 1) Lab Order from a licensed healthcare provider
- 2) Valid form of identification (Driver's license or State ID)
- 3) Insurance card (if medical necessity is indicated for billing to insurance)
- 4) Other billing information if private pay

All testing will be performed with an anticipated turnaround time of 24-48 hours. Due to the current pandemic crisis, turnaround times may increase due to high demand for testing. Please contact your CLH Representative or Client Services for up to date information.

Patients requiring testing should not have been exposed to the coronavirus or exhibit any symptoms. CLH will follow all CDC and DOH guidelines for specimen collection and patient care and has implemented strict social distancing guidelines and disinfection procedures to protect the safety and health of all. Patients with symptoms or with a diagnosis indicating exposure will be referred back to their ordering healthcare provider for care and collection. These ICD-10 codes include but may not be limited to the following:

- **B34.2** Coronavirus infection, unspecified
- **U07.1** COVID-19
- **Z03.818** Encounter for observation for suspected exposure to other biological agents ruled out
- **Z20.828** Contact with (and suspected) exposure to other viral communicable diseases

Patients are asked to make an appointment in advance online at [www.clinicallabs.com](http://www.clinicallabs.com) or by calling our toll-free number at 833-920-2559. Walk-ins will be accommodated as scheduling permits. Locations offering testing are:
